Communication	6	0	2	4	
Digital Secretary	1	0	1	0	
Fee Reports	28	2	2	24	
Library (Our Extra)	—	0	4	2	
Payroll (Our Extra)	—	0	4	2	

Our platform has **15 backend route files** and **10 frontend pages**. Frontend pages cover: Login, Dashboard, Admissions, Students, Staff, Fees, Examinations, Timetable, Attendance, Reports. No UI yet for: Transport, Communications, Library, Payroll, School Info masters, Demographics.

ADMINISTRATION

Role: School Admin / Management

▸ School Configuration

Menu Item	Status	Our Platform
School Master School profile, affiliation, address, logo	PARTIAL	schools.js — GET/POST school, affiliation_no, board_type. <i>No UI page.</i>
Company Master Parent employer companies list	MISSING	Not implemented
Holiday Master School holiday calendar per academic year	MISSING	Not implemented — holidays table needed
Block Configuration Time block / period setup (morning/afternoon)	MISSING	Not implemented
Event School events calendar PLG+DAV	MISSING	Not implemented
Branch Master Multi-branch school setup	MISSING	schools.js has school concept but no branch hierarchy UI
Branch Master Configuration Branch-level settings override	MISSING	Not implemented
Auto Number Admission/receipt auto-numbering rules TV3	MISSING	Not implemented
Storage Configuration Cloud storage purchase/management	N/A	Platform-managed cloud storage, not school-configurable
WhatsApp Configuration WhatsApp Business API key setup	MISSING	TODO noted in attendance.js — no config endpoint or UI
Usage Analytics Report Staff portal usage statistics	PARTIAL	analytics.js — dashboard metrics (students, fees, attendance). No usage report page.

▸ Authentication & Authorization

Menu Item	Status	Our Platform
Role Master Define roles (Admin, Teacher, Accountant...)	PARTIAL	auth.js — roles: super_admin, school_admin, principal, teacher. No role management UI.
Role Authorization Screen-level permission matrix per role	MISSING	Not implemented — authorize() middleware exists but no UI to manage permissions
User Master Create/edit user accounts	PARTIAL	auth.js — POST /register, GET /me. No admin user-list page.
Portal User Parent/student portal login management	MISSING	No parent/student portal implemented
Portal UserLogin History Login time/device log for portal users	MISSING	Not implemented
Non-Logged Portal User Details Portal users who never logged in	MISSING	Not implemented
Portal Activity Tracking Report Student/parent portal page visits	MISSING	Not implemented
Staff Activity Tracking Report Staff login & screen activity log	MISSING	Not implemented
Log And Audit Trail All data-change audit log	PARTIAL	audit_logs table in DB (migration 001). No UI to view/search it.
Portal Menu Master Configure which menus show for each role	MISSING	Not implemented
Staff Usage Report Which screens each staff uses, how often	MISSING	Not implemented

ADMINISTRATION (continued)

Preliminary Masters · Academic Masters · Demographic Masters

▸ Preliminary Masters

Menu Item	Status	Our Platform
Board Master CBSE, Matric, State Board etc.	MISSING	board_type column in schools table (hardcoded). No UI.
Level Master Primary, Middle, Secondary, Higher Secondary	MISSING	Not implemented
Term Master Term 1, Term 2, Annual etc.	MISSING	terms table in DB. No management UI.
Subject Type Master Theory, Practical, Language, Elective	MISSING	Not implemented
House Master School houses (Red, Blue, Green...)	MISSING	Not implemented
Food Habits Master Vegetarian/Non-Veg options PLG+DAV	MISSING	Not implemented
Activity Master Co-curricular activity types PLG+DAV	MISSING	Not implemented
Visitor Entry / Status / Type Masters Visitor management setup PLG+DAV	MISSING	Not implemented
Department Master Staff departments PLG+DAV	PARTIAL	departments table in DB + staff.js references it. No UI to manage departments.
Configuration Master Global school feature flags	MISSING	Not implemented

▸ Academic Masters

Menu Item	Status	Our Platform
Academic Year Creation Create new academic year (e.g. 2026-2027)	MISSING	academic_years table in DB. No creation/management UI.
Academic Week Off Set weekly off days (Sat/Sun)	MISSING	Not implemented
Class Master Class names: Nursery, KG, I–XII	MISSING	classes table in DB + schools.js GET /classes. No management UI.
Class Section Master Sections per class: A, B, C	MISSING	section column in classes table. No section management UI.
Subject Master All subjects offered	MISSING	subjects table in DB. No subject management UI.
Class Subject Mapping Which subjects taught in which class	MISSING	Not implemented
Stream Master Science, Commerce, Arts (for +1/+2) PLG+DAV	MISSING	Not implemented
Subject Combination Subject sets per stream PLG+DAV	MISSING	Not implemented
Week Configuration Working days per week setup	MISSING	Not implemented
Logo Configuration Upload school logo for receipts/reports	MISSING	Not implemented
School Academic Detail Board affiliation, academic settings	PARTIAL	schools.js — affiliation_no, board_type stored. No dedicated edit page.
Chalo Banner Portal announcement banner	N/A	No student/parent portal in our platform

▸ Demographic Masters		
Menu Item	Status	Our Platform
Country Master	MISSING	Not implemented — hardcoded "India" in schools table
State Master	MISSING	Not implemented
City Master	MISSING	Not implemented
Mother Tongue Master	MISSING	Not implemented
Community Master OC, BC, MBC, SC, ST etc.	MISSING	Not implemented
Caste Master	MISSING	Not implemented
Nationality Master	MISSING	Not implemented
Religion Master	MISSING	Not implemented
Region Master PLG+DAV	MISSING	Not implemented

All 9 demographic masters are missing. These are needed as dropdown options in student admission forms (community, caste, mother tongue, nationality, religion, country).

ADMISSION MODULE

Enquiry → Follow-up → Shortlist → Admission

▸ Masters & Operations

Menu Item	Status	Our Platform
Admission Category Master General, Management, NRI, Sports quota	MISSING	Not implemented — needed for admission_enquiries table
Admission Priority Master Sibling priority, staff child priority rules	MISSING	Not implemented
Enquiry List View & manage all admission enquiries	PARTIAL	admissions.js GET / — enquiries with funnel status. AdmissionsPage.jsx shows funnel chart.
Call Followup Telecalling log — date, response, next call	MISSING	Not implemented — no call log table or UI
Shortlisted Student Move from enquiry to shortlisted	PARTIAL	admissions.js PATCH /:id/status — status transitions. No dedicated shortlist page.
Health Form PLG+DAV Health declaration at admission stage	MISSING	Not implemented
Online Enquiry Portal DAV Public online enquiry form	MISSING	Not implemented
Online Application Status DAV Track status of online applications	MISSING	Not implemented
Send Bulk Application Link DAV SMS with admission link to prospects	MISSING	Not implemented
Interview Students PLG Schedule & record admission interviews	MISSING	Not implemented

▸ Reports & Lists

Menu Item	Status	Our Platform
Call Register Report All call follow-ups with status	MISSING	Not implemented — no call log data
Enquiry List Report Filtered enquiry list printable	PARTIAL	admissions.js GET / with filters. No print/PDF generation.
Applicant Siblings Report Enquiries where sibling is enrolled	MISSING	Not implemented
Application Status Count Report PLG Count by enquiry/application status	MISSING	Not implemented
Visitor Information Report PLG+DAV Walk-in visitors log report	MISSING	Not implemented

STUDENT MANAGEMENT

Student records, promotion, TC, certificates

▸ Student Operations

Menu Item	Status	Our Platform
Student List All active students with class/section filter	HAVE	StudentsPage.jsx + students.js GET / — list with class, search filter
Student Profile / Detail Full student record with parent info	HAVE	students.js GET /:id — student + parent + class data
Fee Category Management Assign/change fee category per student	PARTIAL	fee_category in students. students.js PATCH /:id. No dedicated category-change workflow.
Student Fee Category Change Approval Approval workflow for category change ALL	MISSING	Not implemented — no approval workflow
Promotion Screen Year-end promote all students to next class	MISSING	Not implemented — critical year-end feature
Promotion Cancellation Reverse an incorrect promotion	MISSING	Not implemented
Non-Promoted Student List Students held back in same class	MISSING	Not implemented
Student Bulk Update PLG+DAV Excel import to update multiple students	MISSING	Not implemented
TC Checklist Update / TC Student Checklist No-dues checklist before TC issue	MISSING	Not implemented
Student TC Approval / TC Bulk Update PLG+DAV TC approval workflow & bulk TC	MISSING	Not implemented
Student Gate Pass / Gate Pass Report TV3 Outpass during school hours	MISSING	Not implemented
Portal Login Access DAV Enable/disable parent portal access per student	MISSING	No parent portal in our platform

▸ Student Reports & Certificates

Menu Item	Status	Our Platform
Student Admission Report Class-wise admitted students list	PARTIAL	students.js + admissions.js data available. No formatted report/print.
Student Birthday Report Monthly/today birthdays list	MISSING	dob in students table. No birthday report endpoint.
Bonafide Certificate Printable bonafide for banks/colleges	MISSING	Not implemented — needs PDF generation with school letterhead
Student Mark Certificate PLG+DAV Printable marks statement	MISSING	Not implemented
Student Fee Income Tax Certificate 80C certificate for parents	MISSING	Not implemented — needs fee payment data + PDF
Student Absent Summary / Block Wise Attendance Absence count per student per period	PARTIAL	attendance.js GET /report. Basic data available. No formatted print.
Student Promotion Status PLG+DAV Current year promotion outcome per student	MISSING	Not implemented
Student Promotion Cancellation Report Who was un-promoted & when	MISSING	Not implemented
Sibling Details Report TV3 Students who are siblings	MISSING	Not implemented
Student Participation Report TV3 Co-curricular participation per student	MISSING	Not implemented
Rizvi Fee Export External format fee data export	MISSING	Not implemented

STAFF MANAGEMENT

Staff records, evaluation, syllabus, events

▸ Staff Operations

Menu Item	Status	Our Platform
Staff List All active staff with department filter	HAVE	StaffPage.jsx + staff.js GET / — list with staff_type, department
Staff Profile / Details Full staff record, designation, joining date	HAVE	staff.js GET /:id — full profile with user info
Staff Evaluation Criteria KPI parameters for staff appraisal	MISSING	Not implemented
New Syllabus Daily Updation Teachers mark daily syllabus completion	MISSING	Not implemented — needs syllabus_completion table
Special Event Master School special events (Sports Day, etc.)	MISSING	Not implemented
Event Master / Event Category / Event Details PLG+DAV Full event management with categories	MISSING	Not implemented
District Master PLG+DAV District list for staff address	MISSING	Not implemented
Staff Bulk Update PLG+DAV Excel import for staff records	MISSING	Not implemented
Staff History TV3 Previous school employment history	MISSING	Not implemented

▸ Staff Reports

Menu Item	Status	Our Platform
Staff Absent Summary / Staff Summary Absent Absence count per staff	PARTIAL	attendance.js GET /staff-attendance data exists. No formatted report.
Staff Birthday Report Monthly staff birthdays	MISSING	Not implemented
Staff Usage Report Portal login & feature usage per staff	MISSING	Not implemented
Event Details Report PLG+DAV Events with attendance & participation	MISSING	Not implemented

FEES MANAGEMENT

Fee structure, collection, concession, refund

▸ Fee Setup / Masters

Menu Item	Status	Our Platform
Fee Structure (per class+term) Define fee heads & amounts per class/term	PARTIAL	fees.js GET /structure, fee_structures table in DB. No UI to create/edit structure.
Lump Sum Fees Configuration One-time annual fee setup	MISSING	Not implemented
Lumpsum Fees Student Mapping Assign lumpsum plan to students	MISSING	Not implemented
Bus Fee Structure Main Route-wise bus fee amounts	MISSING	Not implemented
Bus Fee Studentwise Assign bus fee to individual students	MISSING	Not implemented
Hostel Fee Structure Main Hostel fee by room type	MISSING	Not implemented
Hostel Fee Studentwise Assign hostel fee per student	MISSING	Not implemented
Late Fee Master Fine rules for late payment	MISSING	Not implemented
Payment Scheduler Due dates per term/instalment	MISSING	Not implemented
Configure Fees Receipt PLG+DAV Customize receipt header/footer/format	MISSING	Not implemented
GST Master PLG+DAV GST rates for applicable fee heads	MISSING	Not implemented
Online Payment Configuration Razorpay / payment gateway setup	MISSING	TODO noted in code — Razorpay not wired

▸ Fee Collection & Transactions

Menu Item	Status	Our Platform
Fee Collection (Student-wise) Collect fee, generate receipt	PARTIAL	FeesPage.jsx + fees.js POST /collect. Basic collection. No receipt PDF, no Razorpay.
Cash Denomination Enter cash denominations at collection	MISSING	Not implemented
Concession Master Request Request fee concession for a student	PARTIAL	concession_requests table in DB. Basic backend. No dedicated UI.
Concession Approval Approve/reject concession requests	MISSING	Not implemented — no approval workflow UI
Refund Entry Initiate fee refund	MISSING	Not implemented
Refund Approval TV3 Approve refund request	MISSING	Not implemented
Refund Receipt / Report TV3 Refund receipt print & report	MISSING	Not implemented
Donation Fee Collection / Cancellation Charitable/donation fee collection	MISSING	Not implemented
Day Closure TV3 End-of-day cash collection finalization	MISSING	Not implemented
Fee Master Approval PLG Approval for fee structure changes	MISSING	Not implemented
Fees Collection Priority TV3 Priority order for fee head collection	MISSING	Not implemented
Pre-Admission Fee Collection Registration fee before full admission	MISSING	Not implemented

EXAMINATION MODULE

Planning, mark entry, progress cards, analysis

▸ Exam Setup

Menu Item	Status	Our Platform
Examination Planning Master Schedule exam dates per class/subject	PARTIAL	ExaminationsPage.jsx + examinations.js GET / — exam list. Create exam exists.
Exam Settings Master Max marks, pass marks, grade config	MISSING	Not implemented — exam settings not configurable via UI
Exam Type Order Configuration Order PT1, PT2, Half-Yearly, Annual	MISSING	Not implemented
Consolidated Exam Configuration How terms combine for final result	MISSING	Not implemented
Progress Card Setting Master Layout & content of progress card	MISSING	Not implemented
Portal Progress Card Config / Configure Portal Progress View What parents see on portal	MISSING	No parent portal in our platform
Other Exam Master / Config Non-academic exams (competitions, NEET mock)	MISSING	Not implemented
NEET JEE Students Configuration Mark students as NEET/JEE aspirants	MISSING	Not implemented

▸ Mark Entry

Menu Item	Status	Our Platform
Examination Mark Entry Enter subject marks per student	PARTIAL	examinations.js POST /:exam_id/marks — PT1, notebook, enrichment, half-yearly marks. No UI table for bulk entry.
Exam Marks Entry Approval PLG+DAV HOD approves mark entries	MISSING	Not implemented
Other Exam Mark Entry / Other Examination Mark Entry Marks for non-academic exams	MISSING	Not implemented
Other Exam Rank Generation Generate class/school rank for other exams	MISSING	Not implemented
Individual Assessment Report / Report Card Subject-wise assessment per student	MISSING	Not implemented
ASL Report Generation Assessment for Speaking & Listening (CBSE)	MISSING	Not implemented

▸ Progress Cards & Reports		
Menu Item	Status	Our Platform
Progress Card Report Generation Print class-wise progress cards	PARTIAL	reports.js GET /marksheet — PDF endpoint exists using PDFKit. Not wired to frontend yet.
Exam Wise Progress Card Report Generation Per-exam progress card	MISSING	Not implemented
Other Exam Report Card Report card for non-academic exams	MISSING	Not implemented
NEET JEE Exam Report Card PLG+DAV Competitive exam performance card	MISSING	Not implemented
Examination Consolidated Report All subjects, all exams in one sheet	MISSING	Not implemented
Result Analysis Report PLG+DAV Pass%, fail%, average analysis	MISSING	Not implemented
Teacherwise Analysis Report Each teacher's class results	MISSING	Not implemented
Class Wise Result Analysis TV3 Class-wise pass/fail/average	MISSING	Not implemented
Teacher Performance Report + Subject Analysis TV3 Teacher effectiveness metrics	MISSING	Not implemented
Subject Average / Fail Count / Centum Report TV3 Subject-level pass/fail/100% scorers	MISSING	Not implemented
Overall Average / Single Digit Marks Report TV3 School-wide average & below-10 marks	MISSING	Not implemented

HPC — Holistic Progress Card

TV3 + PLG only · Not in DAV

Menu Item	Status	Our Platform
HPC Rating Master Rating scale (A+, A, B...) for holistic skills	MISSING	Entire HPC module absent from our platform
Curriculum Master Holistic skill areas being assessed	MISSING	Not implemented
Assessment Entry Teacher rates each student on skill areas	MISSING	Not implemented
Assessment Entry Approval PLG HOD approves HPC entries	MISSING	Not implemented
HPC Report Card Print holistic progress card	MISSING	Not implemented

HPC is required for CBSE schools. All 5 screens are completely absent — needs a new module with rating master, curriculum setup, teacher entry form, and PDF generation.

TOS — Table of Specifications

PLG + DAV only · Not in testv3

Menu Item	Status	Our Platform
TOS Topic Master Topics per subject per class	MISSING	Entire TOS module absent
TOS Paper Configuration Blueprint — topic vs question type distribution	MISSING	Not implemented
TOS Subject Coordinator Assign coordinator per subject	MISSING	Not implemented
TOS Effort Master / Effort Mark Entry Effort marks setup and teacher entry	MISSING	Not implemented
Evaluation Area Master Areas of evaluation definition	MISSING	Not implemented
Comment Category Master / New Comment Category Teacher comment templates by category	MISSING	Not implemented

TIMETABLE MODULE		Auto-generation, substitution, staff rules
Menu Item	Status	Our Platform
View Timetable (class-wise) Class weekly timetable view	PARTIAL	TimetablePage.jsx + timetable.js GET /:class_id — slots with subject & teacher.
Automatic Time Table Generation AI-powered auto timetable generator	PARTIAL	timetable.js POST /generate — Claude AI generates TT from rules. Frontend doesn't call it yet.
Combine Subject Same teacher for multiple sections at once	MISSING	Not implemented
Staff Rule Creation Master Max periods/day, preferred slots per staff	MISSING	Not implemented — needed for AI generation to work properly
TT Class Subject Mapping TV3 Pre-map subjects to classes for TT	MISSING	Not implemented
Substitution Time Table Manage absent teacher substitutions	MISSING	Not implemented
Substitution Priority PLG+DAV Auto-pick substitute by priority rules	MISSING	Not implemented
Online Time Table PLG+DAV Timetable visible on parent/student portal	MISSING	No parent portal
Time Table Backup / Restore TV3+PLG Save & restore timetable snapshots	MISSING	Not implemented
Lab Time Table Details Report Lab slot usage across classes	MISSING	Not implemented
Time Table Details Report Full timetable printable report	MISSING	Not implemented — data exists, no print format

ATTENDANCE MODULE		Configuration & mark attendance
Menu Item	Status	Our Platform
Mark Student Attendance Period-wise or day-wise attendance entry	HAVE	AttendancePage.jsx + attendance.js POST /mark — bulk mark by class. ON CONFLICT upsert.
Staff Attendance Mark staff present/absent	PARTIAL	staff_attendance table in DB, analytics.js uses it. No dedicated staff attendance page.
Attendance Configuration Minimum attendance %, late mark rules, SMS trigger	MISSING	Not implemented — hardcoded rules in queries
Attendance Reason Master TV3 Reason codes: Sick, Leave, Holiday...	MISSING	Not implemented
Auto SMS on Absent WhatsApp/SMS alert to parents when marked absent	MISSING	TODO in attendance.js code — WhatsApp config not set up

TRANSPORT MODULE		Vehicles, routes, drivers, boarding points
Menu Item	Status	Our Platform
Routes & Stops Management Define routes with boarding stops & order	PARTIAL	transport.js GET/POST /routes, /routes/:id/stops. Backend only — no UI page.
Student Transport Assignment Assign route to student	PARTIAL	student_transport table + transport.js. Backend only.
Vehicle Master Register vehicles with capacity, reg number	MISSING	Not implemented — no vehicles table in transport.js
Vehicle Type Bus, Van, Auto categories	MISSING	Not implemented
Driver Master Driver profiles, license, phone	MISSING	Not implemented
TM Boarding Point Master TV3 Boarding point locations on routes	MISSING	stops table exists but no boarding-point master concept
Vehicle Document Master TV3 Insurance, FC, permit expiry tracking	MISSING	Not implemented
Transportation Dashboard TV3 Real-time vehicle & route status	MISSING	Not implemented
Transport has backend routes & stops data but zero frontend. Vehicle master, driver master, and all UI pages need to be built. All report screens (TransportFeePaidReport, BusFeeNonPaidReport, TransportStudentReport) are also missing.		

HOSTEL MODULE		Hostel enrollment & fee tracking
Menu Item	Status	Our Platform
Hostel Student Enrollment Register students in hostel with room	MISSING	Entire hostel module absent — no route, no tables
Hostel Student Report All hostel students list	MISSING	Not implemented
Hostel Fee Paid Report Students who paid hostel fee	MISSING	Not implemented
Hostel Fee Non-Paid Report Students with outstanding hostel fee	MISSING	Not implemented

COMMUNICATION MODULE		SMS, Email, WhatsApp, Circulars
Menu Item	Status	Our Platform
SMS / Email Setting Configure SMS gateway & SMTP email	MISSING	Not implemented — no gateway config table or UI
Automated Email Configuration Trigger rules: on admission, on fee payment...	MISSING	Not implemented
Fee Pendency SMS Bulk SMS to parents with fee due	MISSING	Not implemented — TODO in codebase
Examination SMS Exam schedule & result SMS to parents	MISSING	Not implemented
Scheduled SMS / Email Setting Schedule bulk messages for future date	MISSING	Not implemented — needs cron job infrastructure
SMS Details Report Log of sent/failed SMS messages	MISSING	Not implemented
Circulars (AI-assisted) OUR EXTRA Create circular with Claude AI rephrasing	PARTIAL	communications.js — GET/POST /circulars with Claude AI rephrasing. No frontend page.

Our advantage: communications.js uses Claude claude-sonnet-4-6 to professionally rephrase circular text. This is unique to our platform — Chalo has no AI in their communication module. Needs a frontend page to expose this.

DIGITAL SECRETARY		AI-powered school assistant dashboard
Menu Item	Status	Our Platform
Digital Secretary Dashboard AI insights: attendance trends, fee alerts, exam analysis	PARTIAL	Claude AI integrated in timetable.js + examinations.js + communications.js. Dashboard shows analytics. No dedicated Digital Secretary page.
AI Timetable Generation OUR EXTRA Claude AI generates conflict-free timetable	PARTIAL	timetable.js POST /generate uses Claude — backend done. Not called from frontend.
AI Exam Insight OUR EXTRA Claude analyzes exam results for weak areas	PARTIAL	examinations.js POST /analyze uses Claude — backend done. Not in frontend.

FEE REPORTS MODULE

All collection, outstanding, concession, transport reports

▸ Collection Reports

Menu Item	Status	Our Platform
Fee Daily Collection Statement Today's collections by mode of payment	PARTIAL	reports.js GET /eod-collection — EOD data. Basic. Not in ReportsPage UI.
Consolidated Collection Report All-term total collected, term-wise breakup	MISSING	Not implemented
Consolidated Collection Receipt Report PLG+DAV	MISSING	Not implemented
Collection Report Branchwise / Classwise DAV	MISSING	Not implemented
Company Wise Consolidated Collection Report	MISSING	Not implemented
Projection Collection Report DAV Future expected collections	MISSING	Not implemented
Overall Consolidated Summary Report TV3	MISSING	Not implemented
Term Fees Summary Report TV3	MISSING	Not implemented
Sales Count Report PLG+DAV	MISSING	Not implemented

▸ Outstanding Reports

Menu Item	Status	Our Platform
Fee Head Wise Paid Report Amount paid per fee head across classes	MISSING	Not implemented
Fee Head Wise Non Paid Report Outstanding per fee head	MISSING	Not implemented
Overall Paid Report All students who have paid in full	MISSING	Not implemented
Overall Non Paid Report / Fee Outstanding Students with any outstanding amount	HAVE	reports.js GET /fee-outstanding + ReportsPage.jsx — class-wise outstanding with totals.
Fees Summary Report Class/section-wise fee summary	MISSING	Not implemented
Partially Fees Collection Summary Report Students who paid partial amount	MISSING	Not implemented
Unpaid Fees Summary Report PLG+DAV	MISSING	Not implemented
Concession Summary / Datewise Report Concession granted by date/category	MISSING	Not implemented

▸ Invoice, Donation, Transport & Other Fee Reports

Menu Item	Status	Our Platform
Abstract Report / Invoice Report Fee abstract & individual invoice print	MISSING	Not implemented
Admission Fee Report / Fee Academic Admission-time fee & academic fee reports	MISSING	Not implemented
Credit Note Report / Credit Note Status Credit notes issued & utilized	MISSING	Not implemented
Donation Fee Collection / Cancellation Reports Donation receipts and reversal log	MISSING	Not implemented
Excuse Fee / Extra Fee Report Waived & extra charges report	MISSING	Not implemented
Transport Fee Paid Report / Transport Student Report Bus fee collection & students on routes	MISSING	Not implemented
Bus Fee Non Paid Report Students with outstanding bus fee	MISSING	Not implemented
NEET/JEE Non Paid / Student Report NEET/JEE fee outstanding & student list	MISSING	Not implemented
Data Import Main Page Bulk data import (students, fees, marks)	MISSING	Not implemented — individual creates only

OUR PLATFORM — UNIQUE MODULES

Not in Chalo ERP · Our competitive advantage

These modules are **exclusive to our platform** — Chalo does not have them. They are differentiators that can attract schools looking for a more complete solution.

► Library Management (library.js — backend only, no UI page yet)

Feature	Status	Our Platform
Book Catalog ISBN, title, author, subject, copies	PARTIAL	library.js GET/POST /books — full CRUD with subject mapping. No UI page.
Book Issue Issue book to student/staff with due date	PARTIAL	library.js POST /issue — reduces available_copies, sets due_date. No UI.
Book Return Return book, auto-calculate fine	PARTIAL	library.js POST /return — fine calculation logic. No UI.
Fine Management Collect fine for overdue returns	MISSING	Fine calculated but no collection/payment flow
Library Reports (Issued, Overdue, Stock) Book status and circulation reports	MISSING	Not implemented
Library Frontend Page UI for librarian to manage all above	MISSING	pages/library/ does not exist — needs to be created

► Payroll Management (payroll.js — backend only, no UI page yet)

Feature	Status	Our Platform
Salary Structure Basic, HRA, DA, allowances, PF, ESI, TDS	PARTIAL	payroll.js GET/POST /structure — full salary component breakdown. No UI.
Monthly Payroll Run Process payroll for all staff in one month	PARTIAL	payroll.js POST /run — calculates net pay with deductions. No UI.
Payslip Generation PDF payslip per staff member	PARTIAL	payroll.js GET /payslip — endpoint exists. No PDF template.
PF / ESI / TDS Reporting Statutory deduction reports	MISSING	Data exists in salary_structures, no report endpoint
Payroll Frontend Page HR admin UI for payroll processing	MISSING	pages/payroll/ does not exist — needs to be created

Priority Roadmap — What to Build Next

Priority	Feature	Why	Effort
P1	School Info Masters UI (Class, Subject, Holiday, Term)	Blocks all dropdowns in every other module	2–3 days
P1	Fee Receipt PDF + Razorpay	Core revenue feature — schools can't collect without receipt	3–4 days
P1	SMS/WhatsApp Config UI	Attendance absent SMS is a daily school need	2 days
P2	Student Promotion + TC workflow	Year-end critical — missing completely	3–4 days
P2	Wire Progress Card PDF to Frontend	PDFKit endpoint exists — just needs UI trigger	1 day
P2	Transport Vehicle + Driver UI page	Backend exists, just needs a frontend page	1–2 days
P2	Library + Payroll UI pages	Backend fully done — just needs frontend	2 days each
P3	RBAC Screen Permission Matrix	Multi-school deployment requires role-based access	3–4 days
P3	Consolidated + Head-wise Fee Reports	Daily need for accountant	2 days
P3	Demographic Masters UI	Required for student admission forms	1 day
P4	HPC Module (CBSE schools)	Needed for CBSE board schools specifically	5+ days
P4	Hostel Module	Residential schools only	3–4 days
